

## **General Rules of Hardie Race Promotions**

### **SAFETY WITHIN THE COMPLEX**

- A walking pace speed limit is enforced throughout the pit area.
- Drivers must remain within vehicles at all times when on track except in emergency situations, or when advised to exit the car from the Clerk of the Course.
- When entering or exiting the raceway, drivers must only drive in the direction of the formula on track.
- Any cars being worked on within the pit area on a jack, must be supported by a secondary device – ie, axle stands
- There must be a 2kg fire extinguisher at all transporter vehicles.

### **GENERAL RULES**

- There must be no overtaking the pace car on track without authorisation
- Drivers must not drive into, or through the centre area of the track
- Drivers must not enter race control without permission. Any complaints or protests must be put in writing within 30m of the event finishing. External video footage is not deemed as appropriate evidence.
- Steward decision is final
- Marshal or official verbal or physical abuse will not be tolerated.
- Wristbands must be worn at all times within the venue.
- Drivers must sign in before going to scrutineering
- Any driver forgetting their log book will be subject to a £5 penalty charge – this includes drivers that have not handed photos in.

### **HOUSEKEEPING**

- Keep your pit area tidy, and use bins provided, or leave any rubbish in a bag.
- Any driver found to be leaving litter, car parts, or otherwise will be subject to a fine before being permitted to race again.

## **ORCi 2021 Driver Safety Equipment Specification Regulations**

The "Driver Safety Equipment Specification Regulations" are a common set of regulations, produced by the ORCi, governing the safety equipment used by drivers, and applicable to all ORCi sanctioned formulas.

These regulations are located in the "Technical" section of the ORCi website where they can be accessed by anyone, and managed in a controlled fashion to ensure integrity and consistency across formulas.

Drivers should regularly consult the ORCi website for the latest applicable regulations and updates:
